

Smart Dental Desk

Clinic software · Web + Mobile App

Run & grow your entire clinic from one simple app.

Patients, appointments, prescriptions, billing, reports and marketing — all in one place, on your computer and your phone.

EVERYTHING YOU NEED TO RUN YOUR CLINIC

Patient Self-Registration

Patients book & register online — less front-desk work.

Patient Records

History, dental chart & X-rays in one place.

Smart Appointments

Auto WhatsApp & SMS reminders, fewer no-shows.

Prescriptions & Plans

Treatment plans & prescriptions in seconds.

Billing & Payments

Instant invoices, online pay & due tracking.

Reports & Analytics

Daily & monthly income at a glance.

Inventory

Stock tracking with low-stock alerts.

Web + Mobile

Use from clinic PC or phone, always synced.

AI Assistant

Writes notes, prescriptions & plans for you.

MARKETING & PATIENT ENGAGEMENT

Marketing Campaigns

Offers over WhatsApp, SMS & email.

Automation

Auto recalls, birthdays & follow-ups.

Referrals

Turn happy patients into new ones.

WhatsApp Inbox

Chat from one shared clinic number.

Reviews & Feedback

Grow your Google reviews automatically.

AI Campaign Content

AI writes your marketing messages.
